# BY YOUR SIDE MENTORING PROGRAM

## DO YOU WANT TO MAKE A DIFFERENCE?

STEPS Group Australia is currently developing a mentoring initiative which provides mentors for individuals who could use some extra support in and out of the work-place, to help them obtain sustainable employment and personal fulfillment.

Mentoring entails pre-employment preparation, job-support and offers a friendly ear when everything seems too much.

This holistic approach nurtures and encourages mentees to realise their hopes and aspirations and reach their full potential as inclusive and contributing members of their community.

*Looking for work  
in the Employment  
or Disability Sector?*

Becoming a mentor for the  
**By Your Side** Mentoring program  
will provide valuable skills and  
experience that will help you  
with your goals.

# WE WILL SUPPORT YOU.

**As a mentor  
you will play  
a pivotal part**

**in helping someone realise their  
hopes and aspirations, you will  
celebrate each step forward and  
marvel at something every day.**

Apart from the personal satisfaction that comes from having such a positive influence in someone's life, you will gain the support of a national organisation with over 23 years of experience in disability employment.

STEPS is committed to providing excellent service to mentors who will gain valuable experience and training and be a part of various team building events and social functions.

You will be matched with a mentee according to your mutual compatibility and goals. **Great mentors come from all walks of life.** Regardless of your employment status, age or experiences, *you can be a great mentor.*

**Mentoring just might be one of the  
greatest experiences of your life.**
