Please read the following information carefully if you are intending to supply pre-press material for Beaudesert Times. Failure to supply material in the required format may result in a loss of quality in the production. We will endeavour to assist you wherever possible. However, if art is supplied incorrectly, we cannot accept responsibility.

SUPPLYING PDF's:

- All PDF files must be press optimised and all fonts embedded.
- All pictures and images need to be CMYK **not** RGB.
- All PDF's are required to be single page pdf's with the file name matching the folio number.
- If pages bleed, a 5mm bleed is required.
- Registration marks OFF.

EMAIL:

We cannot accept emails over 20mb.

Please note: Due to the high number of emails received, it is very important that you clearly state which publication your email relates to, as well as a contact phone number.
