

SUBJECT:- Donateliflife Qld

RECOMMENDING CLUB:- PAQ

DATE:- June 2012

GUEST SPEAKER:- Vanessa Rainbow

COMMENTS:-

Donateliflife Qld is a government run agency for organ and tissue donation. It's role is to not only provide families with bereavement counselling and end of life care pathway of the donation process they have chosen, but also educate and provide community awareness on this important subject.

Organ donation can save lives and tissue donation improves quality of life. One organ and tissue donor can save up to 10 lives and improve the lives of many more.
