

SUBJECT:- Diabetes and Chronic Disease Management

RECOMMENDING CLUB:- PAQ

DATE:- Aug 2012

GUEST SPEAKER:- Kerry Porter

COMMENTS:-

Kerry is a Nurse Practitioner in Diabetes and Chronic Disease management. She has previously been involved in speaking at different Probus Clubs about Diabetes before moving to Brisbane. She is now at QUT working as part of a new project looking at maintaining the best possible health for people over the age of 65. If any Probus groups are looking for a guest speaker to talk about healthy ageing or diabetes in particular she would be pleased to be involved. People are also able to make individual appointments to see her at no out of pocket expense to them.
