

SUBJECT:- Qld Bowel Cancer Screening Program

RECOMMENDING CLUB:- PAQ

DATE:- June 2012

GUEST SPEAKER:- Natilie Davis

COMMENTS:-

Free education sessions for community groups. Find out more about bowel cancer prevention and early detection and help protect your health. The good news is that the disease is highly preventable, detectable and treatable when found early.

CONTACT DETAILS:-

Tel 1300 766 927 to book a free education session
